EDUCATION

PES University, Bengaluru

Bachelor of Technology in Computer Science

2023 – 2027

CGPA: 8.84/10

Mayoor School, Ajmer

XII, CBSE(2023)

93.80%

X, CBSE(2021)

96.60%

LANGUAGES

Programming Languages: Python, Java, Go

PROJECTS

Multi-Agent Research Assistant

2026

Python, LangGraph, Streamlit, Ollama, Semantic Scholar, OpenAlex

- Built a LangGraph-based assistant for academic search, summarization, and automated research report generation.
- Implemented federated search with deduplication, ranking, and citation-aware Markdown export.

Dynamic Content Streaming Pipeline

2025

Apache Kafka, Python, Flask, SQLite

- Developed a distributed real-time streaming system with admin-controlled topic lifecycle governance.
- Built a Flask control plane with persistent metadata storage for Kafka topic management.

Behavioral Analytics for Adaptive Financial Decision Making

2026 (Capstone)

Python, Pandas, NumPy, Scikit-learn, XGBoost, NLP

- Developing an AI-powered financial decision system combining market analytics, risk profiling, and behavioral sentiment analysis.
- Integrating ML-based market analysis with portfolio optimization for adaptive investment allocation and explainable recommendations.

AI Data Copilot for Automated Data Cleaning & Analysis

2025

Python, SQL, Pandas, NumPy, Streamlit, Scikit-learn

- Built an AI-driven assistant for data cleaning, statistical analysis, and natural-language querying.
- Designed an interactive Streamlit dashboard with quality scoring and explainable insights.

ACADEMIC ACHIEVEMENTS

Flipkart GRiD 8.0

2026

Semi-Finalist, Data Science Track.

Prof. C.N.R. Rao Scholarship

2023 – 2026

Ranked in the **top 25%** of the department across **four semesters**.

Academic Scholarships (X & XII)

2021, 2023

Secured **1st rank in Mathematics (100%)** in X and **1st rank in Fine Arts** in XII; scored **above 90%** in both board examinations.

Best All-Rounder Award

2015, 2018

Received **two awards** for excellence across academics, sports, and extracurricular activities.

POSITIONS OF RESPONSIBILITY

PES University, Bengaluru

2024 – Present

Operations Team – Organized **2 hackathons** and managed end-to-end operations for **250+ participants**.

Mayoor School, Ajmer

2022 – 2023

CCA Captain – Spearheaded **10+ inter- and intra-school events**, driving participation of **200+ students**.

Student Editor, School's Editorial Board – Led a **10-member Editorial Board** and published **8 editions** of the school's quarterly and annual magazines.
